

The Evelyn Strickland Foundation

Winona Christian School 1014S Applegate St Winona MS 38967

The Evelyn Strickland Foundation has been established in honor of one of our most beloved and dedicated teachers. The purpose of the foundation is to support the need for increased technology based education in our classrooms. With our ever changing technological world, we must strive to provide our students with the tools necessary to obtain a quality education and be competitive in today's job market.

With this purpose comes the need for additional computers, software, equipment, and training. Through this foundation, we hope to acquire additional computers, a server, and other equipment to allow our teachers and students to implement more interactive tools in the classroom.

The need for further technology can only be met with support and donations from patrons, family, and alumni like you. Please consider giving a gift to help our children experience the best education possible. Please review the form below and consider making a continuing monthly gift or a one time donation. These donations can be made through either a bank draft or by check and are tax deductible.

I would like to donate the following amount \$ _____ Circle one: Monthly Single

Donating by Check
