## **WELCOME**

We at Winona Christian School would like to take this opportunity to welcome all new students to our school family. To those of you returning for another year, we welcome you back. We wish our school to be everything you need to have a wonderful, pleasant and gratifying experience.

The handbook is designed to familiarize all of the WCS students and parents with the school policies and regulations. We ask that you read and go over the handbook. It is always the possibility that some policies or rules may have inadvertently been left out. On such instances, the administration with the Board of Directors support will address these matters.

## **MOTTO**

**“TOUCHING EVERY GENERATION FOR CHRIST; PREPARING ALL STUDENTS FOR LIFE.”**

## **MISSION STATEMENT**

Winona Christian School is dedicated to providing our students with a Christian based college preparatory education, balancing spiritual, academic, and athletic, fine arts, and social achievements.

## **PHILOSOPHY OF WINONA CHRISTIAN SCHOOL**

1. Winona Christian School believes education, as a discipline, is under the kingship of Christ. Winona Christian School acknowledges their responsibility to provide education for the whole person at a level of excellence not attainable elsewhere.
2. Winona Christian School believes that a level of academic and physical training should be achieved which will properly prepare each young person

for the most important relationships into which he/she will enter, which will include:

- A personal relationship with God through His son Jesus Christ and the Holy Spirit
  - A personal relationship with his fellow man
  - A personal relationship with God's creation
3. Winona Christian School believes that the education of a child in the biblical pattern can organize his knowledge toward a purpose, can give him/her the riches of our human culture, and can fit him/her for a useful, full life that honors God and uplifts his fellow men.

## **GOALS**

Winona Christian will strive to do the following:

1. To employ and retain qualified and competent faculty and staff who are dedicated to teaching and service.
2. To teach quality academic courses which ensure successful college and career preparation.
3. To provide student services which assist individuals in goal selection, decision making, establishment of values, and development of attitudes of responsibility and cooperation.
4. To sponsor services which include sports as well as those social, extra-curricular, civic and cultural activities which develop leadership, creative skills and personal growth.

## WINONA CHRISTIAN SCHOOL ADMISSION POLICY

The Board of Directors must approve all students who attend WCS. Before a student is admitted to WCS the following must take place:

1. Prospective student(s) must be interviewed by the administration of WCS.
2. All application papers are to be filled out.
3. The contract is to be signed with appropriate fees and/or registration paid.
4. Students entering 3-year old kindergarten must have reached their 3<sup>rd</sup> birthday on or before September 1. Students entering 4-year old kindergarten must have reached their 4<sup>th</sup> birthday on or before September 1. Students entering 5-year old kindergarten must have reached their 5<sup>th</sup> birthday on or before September 1.
5. The following information must be provided prior to admittance into WCS:
  - a) A certified birth certificate
  - b) The student's social security card
  - c) Up to date immunization records (Form 121)
  - d) The most current grades form previous school
6. Students transferring from another school shall receive a favorable background report as stated by former school officials (including behavior and proper actions).
7. All students in grades 9-12 must take an admission test administered by a school official.
8. Class size could limit enrollment, this will be determined by the administration.
9. Home school students may be accepted pending the validation of previous work and documentation of courses taken. Placement of a home-schooled

student will be determined by the administration and may require testing. In order for a home-schooled student to receive a diploma from WCS their last six (6) credits must be earned from WCS.

10. All students entering grades 7-12 not enrolled at Winona Christian School the previous year, must complete and pass a drug test screening process prior to acceptance at Winona Christian School.

Upon completion of these procedures and with approval of the Board of Directors, the student(s) will be admitted to WCS.

### **NON-DISCRIMINATORY POLICY**

Winona Christian School does not discriminate on the basis of race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational, employment or admissions policies, athletic or other school-administered programs.

### **TUITION**

Tuition payments are to be made in accordance with the contract submitted at registration. It is our responsibility to provide an educational opportunity for your child. It is the parent's responsibility to see that all financial obligations to the school are met. We understand fully when parents meet hard times, and it is our wish that your child's education never be interrupted. With this in mind we will work diligently with the parents to insure this does not happen, however, all financial obligations must be fulfilled before the end of the school year.

WCS reserves the right to refuse to allow the student(s) to take mid-term or final exams, refuse to admit the student(s) to class, or withhold the transcript or other

records of grades awarded for courses completed until all financial obligations are met.

WCS operates on a yearly budget, and thus makes financial commitments based on enrollment contract. Thus, the student(s) are admitted on a yearly basis, and the person on the contract is responsible for the financial obligations on the contract for that year. In order to be released from a contract a person must submit, in writing, a letter stating the detailed reasons for the withdrawal of their student(s). The Winona Christian Board of Directors will take up the issue at their normal meeting to determine if the individual will be released from their obligations. If this procedure is not followed and the student(s) are not released, no records will be released.

### GENERAL INFORMATION

- **Accreditation** - WCS holds accreditation with the Mid South Association of Independent Schools and the Southern Association of Colleges and Schools. The standards of these two agencies are used as guidelines for the educational programs of the school.

All administrators and faculty of the school meet the requirements as set forth in the teacher certification standards of the MSAIS to hold a teaching certificate issued by the MSAIS.

- **School Hours** – School hours are from 7:55a.m. to 3:00p.m. Teachers are on duty from 7:30a.m. until 3:30p.m.
- **Visitors** – All parents are welcome to visit our school at any time. However, we do ask that all visitors report to the office upon their arrival at school. We encourage parents to visit the school but we must insure that the educational flow is not interrupted. Also, for the safety of our children we must know who is on our campus at all times. Do not go directly to the classroom.

- **After School Care** – WCS provides after school care for a nominal fee. Any students that are not picked up by 3:15p.m. will be placed in after school care. After school care is for any student in grades Kindergarten through 6<sup>th</sup> grade. The hours are 3:00p.m. – 5:30p.m.
- **Arrival & Parking** – When you arrive on campus be aware of children and the flow of traffic. The speed limit is 10mph. To avoid the morning rush, arrive at school before 7:50a.m. Kindergarten – 6<sup>th</sup> grade students are to be dropped off in front of the K building. 6<sup>th</sup> – 12<sup>th</sup> grade may be dropped off in the front or rear of the building. Students that drive must have a valid driver's license and park in designated parking lots. A \$20.00 parking decal must be purchased from the office for all student vehicles. Seniors will be given decals first.
- **Departure & Pick up** – The elementary school (K2-6<sup>th</sup> grade) will be dismissed at 2:55p.m. each day to help eliminate some of the congestion at 3:00p.m. K2-6<sup>th</sup> grade students will be picked up in the middle parking lot. Grades 7<sup>th</sup> – 12<sup>th</sup> will be picked up in the circular drive out front. If a child is to be picked up by someone else other than their normal ride a note needs to be given to their teacher that morning. Due to the safety of our children, if there is an issue with custody, appropriate documentation will be required regarding custody. This is to prevent a child from being released to a non-custodial parent. No student will be released to anyone other than the custodial parent or guardian unless the school has been notified in writing by the custodial parent. Personnel on duty will escort children to vehicles, do not leave your vehicle and come to the classroom.
- **Check-Out and Check-In Procedures** – Before leaving school, students must be signed out by his/her parent or someone on the emergency card. (STUDENTS WILL NEVER BE ALLOWED TO LEAVE SCHOOL WITH SOMEONE WHO IS NOT ON THEIR EMERGENCY LIST!) For the student's protection, anyone who picks students up may be asked to show identification.

Upon returning to school, students must check in at the office BEFORE going to class. High school students who have 6<sup>th</sup> and/or 7<sup>th</sup> periods vacant may check out each day. Parents must come to the office to fill out the proper paperwork.

Keep the following in mind concerning checking out and returning to school:

1. When the time to check out arrives, students are to come by the office to sign out.
  2. If a child gets sick during the day, they are to report to the office and the office will contact the parents about them leaving or being picked up. A note the next day will need to accompany the student to receive an excused absence.
  3. If there is an emergency in the family, parents may contact the office and talk to the administration. Appropriate steps will be taken to insure the care of the student. Again, a note will need to be brought upon their return to school.
- **School calendar** – Can be accessed through our website or a hard copy can be obtained in the office.
  - **Star text** – If you wish to be informed of any calendar changes or updates to schedules or any messages sent from the school, sign up for our texting service by texting “stars” to 1-855-913-4343. Text will be for school activities and events only.
  - **FACTS** – Our FACTS program allows parents to access their student(s) grades and assignments at any time. We will no longer send progress reports and report cards via hard copy. To get signed up for this service, please contact the office.
  - **Conferences** – Communication is a key to the success of the student. We encourage parents to visit with the teachers on occasion in regard to their

student. Conferences with a teacher can be made prior to school, after school or during a teacher's planning period. We ask that if you need a conference that you call the office to get an appointment with the teacher. If you wish to speak with the business office or administration, please call and make an appointment between the hours of 7:30a.m. and 3:30p.m. Under no circumstances should a parent go directly to the classroom without securing permission from the office.

- **Grievance Procedure** – WCS has a line of authority in which all problems and/or grievances shall be handled. First, any problems should be discussed with the parties involved. Hopefully the problem can be handled at this level. However, if the problem persists, the next step is to contact the administration. Only after these steps have been taken should a patron contact the Board of Directors. If you have a problem, it is important to remember that these people are the only ones with whom the problem should be discussed.
- **Open House** – WCS will hold an Open House in the fall and one in the spring. The Fall Open House is a meet and greet type setting. It is not designed as a conference time. You can set a parent/teacher conference for later if desired. The Spring Open House coincides with Early Registration.
- **Social Networking Policy** – WCS provides an array of technology resources for students. We will advance our technology resources accordingly. The following outlines appropriate use of prohibited activities when using technology resources. Every student and/or parent is expected to follow all guidelines stated below, as well as those given orally by the staff, and to demonstrate good citizenship and ethical behavior at all times.

By enrolling and attending WCS you agree and acknowledge that you are aware of this information.

As a WCS student, understand that school technology and social networking programs are owned by the school and are not private. WCS has the rights to review any information that pertains to or includes

information about the school. Student must understand that the opportunity to have a cell phone or other electronic devices at the school is a privilege and not a right.

- **Solicitation** – There will be no solicitation by students for personal gain. Students will be allowed to sell only items for school groups as a part of approved fund-raising activities. Anyone caught using the school's name in the community for solicitation or for personal gain will be turned over to the proper authority with the possibility of expulsion.
- **Field Trips** – We at WCS understand that field trips are an important part of the educational experience for students. All field trips will be planned and organized by the teacher with administrative approval. Parents may be asked to help chaperone the event.

- **Head lice** – While head lice do not transmit any human diseases; they are a considerable nuisance and require a cooperative effort on the part of parents and school officials to control. When a teacher suspects that a child has head lice or nits, the child will quietly and discretely be sent to the office for an examination in private. If lice or nits are found, the parents will be notified and asked to pick up the child and treat him/her. When a case of head lice is found in a room, a note will be sent home with every student in that room, informing parents and requesting that they check their child that evening and treat if necessary.

Children will not be allowed to return to school the following day. Upon return, the student must present proof of treatment and have no lice or nits.

- **Searches** – WCS reserves the right to conduct routine searches. The student is responsible for contents of book bags and desks. WCS also reserves the right to inspect vehicles for contraband or items not allowed on or near a school’s premises. A student’s person and/or personal effects may be searched upon reasonable suspicion of a student being in possession of illegal or unauthorized materials. If a “pat down” is required, a school official of the same sex, in private, will do it with a witness of the same sex.

**Used Books**

Wear & tear = \$1 - \$2  
Spine damage = \$5  
Missing cover = half price  
Water damage = half price

- **Attendance** – Absences are recorded by class/period. Absence is defined as the student not being present for at least 20 minutes of the class period. A student shall be allowed a maximum of 10 absences, including check-in and check-out, excused by a parent note per one school year. A doctor’s excuse must be presented if the 10 absences with parent notes have been used. Students must have a parent note for each day missed (Example: A student misses 3 consecutive days, one note will count as 3 parent notes.)

A written excuse (parent note or doctor’s) must be given to the officials on the day that the student returns to school in order for the student to receive an excused absence. A parent’s note excusing an absence should include date(s) the student was absent, the reason for the absence, the

parent/legal guardian's signature, and a phone number where the parent/legal guardian may be reached during the school day. A student with an excused absence will be allowed to make up missed work with full credit. If a student receives an unexcused absence, he/she will not be allowed to make up any work that was missed and will receive a "0" for the work that was missed, and may face further disciplinary action as deemed appropriate by the Administration.

Students must be at school half of the school day in order to be eligible to participate in any extra-curricular activities on that day.

School related absences will be excused.

### **College Days**

Seniors will be permitted two excused college days during their senior year. These visits should be used during the months of September through April. Students wishing to make a college visit should submit a College Day Request Form one week prior to the scheduled visit. In order for the absence to be excused, the student must present a signed college visitation form upon his return to school (visitation forms are generally available on all college campuses). A college day absence will not count against exam exemption.

### **Make-up Work**

It is the student's responsibility to make up work that has been missed. A student who needs to make up work after an absence must contact each of his/her teachers immediately upon returning to school to make arrangements for making up the work. If a student has received an assignment before the absence, the assignment is due the day the student returns to class.

All work missed during an absence must be made up within the time allowed by the one day plus rule. For example, if a student missed school

on Wednesday, then all make up work will be due Friday, (1 day + 1 day missed).

For school-sponsored trips, assignments should be secured ahead of time and are due on the day the student returns to class.

A student who received out-of-school suspension will not be allowed to make up any daily work missed. A grade of zero will be recorded for all assigned work missed during the suspension.

**Request for assignments in advance will be honored to the extent that the teacher and the Administration deem them appropriate. Advanced assignments will not be provided on material that has not been taught in class.**

The MSAIS mandates that no student shall be granted a credit whose absences exceed 20 days during a yearlong course or 10 days for a semester course. This refers to both excused and unexcused absences. The Board of Directors reserves the right to grant a waiver in case of an extended illness. (Extended illness is defined as a sickness that requires 10 consecutive school day absences.) Anyone that exceeds the limited amount of absences may ask for an appointment with the Board of Directors to discuss the waiver.

If a student wishes to participate in an extra-curricular activity, he/she must have attended a majority of the day which is four (4) academic periods. The administration reserves the right to evaluate extreme circumstances.

- **Tardiness** – Teachers and students have the right not to have instruction time interrupted by students who come to class tardy. This offense will not be tolerated. If the student is twenty (20) minutes or later for a class, the student will be considered absent from the class. Attendance and tardiness can be checked on FACTS.

## Procedure

1. Students are allowed three (3) minutes to move from one class to another.
  2. A tardy bell will sound to signal the end of the class exchange. When this bell rings the teacher will close the door. Each student may accumulate a total of three (3) tardies each nine weeks without action being taken. This does not mean three (3) tardies per class, but rather three (3) tardies total. On the fourth and fifth tardies, the student will receive corporal punishment. On the sixth tardy and thereafter, the student will be issued an unexcused absence.
- **Discipline** – Discipline in its true form does not mean punishment. Discipline is much deeper and should encompass several objectives:
    1. To create conditions essential to the orderly progress of school.
    2. To prepare our students to cope with life as an adult.
    3. To instill lessons of self-control.
    4. To help develop the character of the student.

Students at WCS should be able to conduct themselves in a manner that is acceptable and compatible with the rules and regulations of the school. All students are expected to carry themselves in a way whether at school, school sponsored events and in the community, that is a good reflection of Winona Christian School.

Any student who behaves in a way that is socially unacceptable, or casts a bad reflection on Winona Christian School is subject to being dismissed from school. A matter of this level will be brought before the Board of Directors for review.

Teachers, coaches, staff and administration have the right and are expected to have full control when involved with the student body. Students are to be respectful and obedient to all school personnel at all times. Teachers will have classroom rules that are to be followed as long as they are not in contradiction

with the school policy. Teachers are expected to maintain an environment within the classroom that is conducive to learning. Teachers will inform their students of the rules and regulations regarding their classroom. If the teacher is not able to maintain the appropriate environment the students that are causing the disruption will be sent to the office with a conduct slip and discipline will be overseen by the administration.

Winona Christian School will use various methods of discipline to insure that the school has the appropriate environment for education and athletic competition. The following types of disciplinary action will be used when needed:

1. *School Service / Detention* – This lower level of discipline will vary according to the offense. Times, dates and duties will be determined by the teacher or administration.
2. *Corporal Punishment* – Corporal punishment will be administered as needed by WCS.
3. *Out-of-School Suspension* – A student that is given OSS will receive an unexcused absence for each day that they are suspended. This will result in “0” for each day missed. Anyone who receives an OSS will lose their exemption status. The length of the OSS will be determined by the administration. A student that accumulates ten (10) days of OSS will be expelled from the school for the remainder of the year. Worked missed during OSS will not be made up.
4. *Expulsion* – This is the permanent (remainder of the school year) removal from the school. The Board of Directors will review each case. A student expelled from school must go before the Board of Directors before they can be reinstated the following year. This hearing will be to determine if the student will be allowed to return.

The student’s disciplinary record will be kept on file in the administration office. This is not a part of the student’s permanent record. However, if a

student is expelled from WCS this will be included in their permanent record.

## **EMERGENCY PROCEDURES**

### **Fire**

1. Fire alarm - Continuous ringing of the bell with instructions over the speaker system, "CLEARING THE BUILDING"
2. When the alarm sounds, the students are to leave the room in single file under the supervision of the teacher. The student is to take nothing with them except what they have in their hands when the alarm sounds.

### **Tornado**

1. Tornado alarm - Three short rings of the bell with instructions over the speaker system, "TORNADO POSITION".
2. When the alarm sounds, the students are to leave the room in a single file under the supervision of the teacher.
3. Students are to sit down on the floor at the assigned area with their heads down inside their knees and arms over their head. No one is to be up and moving about. Avoid looking up and toward areas with glass.
4. When the all-clear signal of multiple short rings, the students will return to class in an orderly manner.

### **LOCK-DOWN**

1. The Administration will make an announcement over the intercom. Upon receiving this announcement, the doors will be locked.
2. Students are not to leave the room. Everyone should keep a low profile.
3. All bells should be disregarded during a period of lock-down.
4. You will be notified with further instructions as soon as possible.

## FIRST AID

If a student sustains an injury, a teacher should be notified immediately. If a doctor is needed, transportation will be provided. Each and every accident must be reported to the office by the student or the teacher in charge of the student at the time of the accident. A written report of the accident must be filed. Students having to go to the doctor for treatments of any accident covered by school insurance should notify school officials.

## GENERAL RULES OF BEHAVIOR

**Alcohol/Drugs:** The use or possession of, or being under the influence of alcohol/drugs on school grounds, school sponsored events, or any activity at another school is strictly forbidden. Any student caught in violation of this rule will automatically receive a five (5) day out-of-school suspension. After the suspension, the student and parents will have to meet with the school's administration before being admitted back into school. If necessary, the Board of Directors will determine the reinstatement of the student. A second infraction of this policy will result in automatic expulsion from WCS. The administration and Board of Directors ask those parents that give parties for students refrain from providing or allowing alcohol to minors. This is a serious problem in our nation today and it is illegal.

**Drug Policy:** All students in grades 7-12 will be drug tested. It is intended to encourage students to attain the skills necessary to resist peer pressure and say "no" to drugs. It is also the intention of the program to encourage any student who tests positive for illegal substance abuse to get appropriate recovery assistance.

*The General Purpose of the Program is to:*

1. Educate about the dangers of drug use.
2. Prevention of drug use at Winona Christian School.
3. Identify students who may be using drugs and have an opportunity for that student to receive treatment.

4. Provide evidence that the mental and physical well-being of Winona Christian School students is a matter of importance.
5. Provide an incentive to avoid drug use.
6. Emphasize to each student his/her responsibility as a positive role model.
7. Discourage the use of drugs/alcohol at any function on or off campus where Winona Christian School students are present.

*Testing Procedures:*

1. Parents have signed consent for the drug testing as a part of the contract.
2. All teachers, Head of School, employees, and Board Members may be tested.
3. Each student in grades 7-12 may be drug tested and may be randomly tested again at any time during the school year.
4. Testing will be by urinalysis.
5. If a student tests positive a parent/guardian may request a retest at their expense, but the results will be only considered if scientifically meaningful, timely performed, and in compliance with the professional testing of laboratory's guidelines.
6. Urine samples will be collected and analyzed by a private laboratory or qualified nurse.
7. Drug screening results will be reported only to the Headmaster and Board of Directors.

**Positive Test Results:**

A refusal or failure to take a drug and alcohol test under the conditions of reasonable suspicion shall be considered a positive drug and alcohol test result or

offense. All specimens showing a positive result will automatically be re-tested by the laboratory immediately to insure that no error has occurred. If a positive test results and is confirmed, the following steps will be taken:

1. The Head of School will be notified.
2. The student and parents will be notified.
3. The student will serve five (5) days of OSS.
4. The student will be required to attend a drug counseling program at the parents' expense.
5. The drug counselor will determine the length and focus of the program based on the needs of the student and must be approved by the administration of WCS.
6. If a parent refuses to enroll the student or the student does not complete the counseling program, the student will be dismissed from school.
7. If a staff or board member tests positive, dismissal actions will be initiated.

*Second Positive Results:*

The specimen showing a positive result will be immediately re-tested for accuracy. If the positive test is confirmed:

1. The Headmaster will be notified.
2. The student and parents will be notified.
3. The student will be expelled and may re-apply the next school year.

**Cheating:** Cheating will not be tolerated. Students caught cheating, plagiarizing or copying an assignment will be given the grade of zero (0), and the parents will be notified.

Students may not use these devices during school hours. School hours are defined as the time a student arrives at school in the morning (including during detention) until 3:15 p.m. in the afternoon. Students caught with prohibited devices during school hours will suffer the following consequences:

1<sup>st</sup> Offense – cell phone taken, parent must pick up the device and pay \$25.00.

2<sup>nd</sup> Offense – 1 day In School Suspension (ISS), the parent must pick up the device and pay \$25.00.

Additional Offenses – 1 day ISS and parent must pick up the device and pay \$25.00

**Disruptive behavior:** No student will be allowed to disrupt the flow of school due to inappropriate behavior. Any student who becomes a disruption to school will be removed immediately. Parents will be notified and the student will be sent home. The length of time will be determined by the administration and will reflect the offense.

If a student has to be removed from school for disruptive behavior for a second time, a minimum five (5) day out-of-school suspension will be given and the parents and student will be brought before the Board of Directors to discuss possible expulsion.

**Dress Code:** All students in grades 1<sup>st</sup> through 12<sup>th</sup> are expected to dress modestly and maintain a neat appearance. Any student's appearance deemed unacceptable by the administration will be removed from class and asked to change before being allowed to return to class. The dress code for WCS applies to all school activities, unless the administration has waived a particular policy for an event. The WCS administration reserves the right to make a judgment on future modes of dress not mentioned in the handbook. The following guidelines have been set forth and will be enforced.

Any student who becomes insubordinate or disrespectful will be dealt with by the administration of the school. The severity of the offense will determine the punishment.

**Leaving school without permission:** Permission to leave school, for any reason, must be given by the Administration. If a student becomes sick, he is to report to the office. The Administration will arrange for the student to go home or to the doctor. Students who have permission to leave school must sign out in the office. A record is kept in the office of all students who have permission to leave school, giving the time and reason for leaving. This record is available for parental inspection in the office or through the Head of School. If students leave without permission, no matter how long, or for what reason, they will face a 3-5 day suspension, and possible expulsion.

**Harassment:** Harassment or bullying is not a behavior that we condone as Christians. We must teach our children to treat others the way that they would

like to be treated. The administration takes harassment seriously and will deal with each case individually.

**Sexual Harassment:** It is the policy and desire for the students, employees, and visitors of Winona Christian School to have an atmosphere that is free from sexual harassment. It is important that the students, teachers, administrations, and patrons understand that sexual harassment is a serious offense and will be dealt with promptly and with severe consequences.

Sexual harassment is defined as unwelcome sexual advances, request for sexual favors, and any other verbal or physical conduct of a sexual nature amounting to harassment.

The procedure for reporting sexual harassment:

  - \*A detailed description of the incident that includes statements by both parties.
  - \*A list of all known witnesses
2. All complaints will be investigated thoroughly by the Head of School or appointed board members. The investigation will be completed within a three week period.
3. Upon completion of the investigation, the Head of School will provide a detailed summary of all information gathered. This will include the

complainant's report, a list of physical evidence, and a factual summary that either supports or refutes the complainant's case.

4. Should the investigation prove that sexual harassment has occurred, the proper disciplinary actions will be taken that shall include termination of employment for involved staff members or suspension or expulsion of the student.
5. This policy in no way prohibits the complainant from the pursuing their legal rights by the state of federal law.

**School Violence Act:** It is a crime to bring weapons of any kind onto school property or to physically assault and injure another person or make threats to a person on campus. An administrator is required by law to make an immediate oral report followed by a written report within 24 hours to the appropriate law enforcement officials. Violators may be subject to arrest and/or expulsion from school. Absolutely no weapons are permitted on school premises at any given time.

Students are expected to give their full attention to the speaker. Students should be respectful of the speaker at all times even if they disagree or have a different opinion. Students are to applaud courteously. No food or drinks are to be in the gymnasium unless concessions are being sold at the event.

## **ATHLETICS**

**Purpose:** We at WCS believe athletics to be a vital part in the education and development of the student. However athletics is a privilege and with that the student must maintain a certain standard set forth by the MAIS, administration, and coaching staff.

**Eligibility:** To remain on the eligible status the student/athlete must maintain an overall “C” average in all of his/her academic classes. Grades will be checked every 9 weeks and the student shall be placed in one of these three categories. If they are declared eligible they are in good standing. If they are placed on probation due to not having a “C” average, they may continue to practice and play until the next check is made. At this time they will either be cleared and eligible or declared ineligible. If a student is declared ineligible they will NOT be allowed to practice or play for a 9 week period. At the next check time if an ineligible student has a “C” average or better, they will move back to the probation level and be able to practice and play once again.

**Conduct & behavior:** We believe in the spirit of competition, but also strongly believe that our conduct in victory and defeat should reflect the values taught in the word of God. We should as a Christian school be above and beyond all reproach. Our parents and fans should conduct themselves in a positive manner extending courtesy and hospitality to others. We should support our students and cheer them not cheer against the opponents, players, fans, or coaches.

The officials are off limits. Anyone that acts in an inappropriate manner at an event could be asked to leave or even be banned and fined by the MSAIS and school.

**Parent/Coach Meetings Policy:** A concerned parent/patron that desires to meet with a WCS coach concerning a student-athlete must arrange a meeting through the Head of School. Parent/Patron shall contact the Head of School, who will then contact the coach to arrange the meeting which will take place in the presence of the Head of School. NO MEETING SHALL EVER TAKE PLACE ON THE SAME DAY AS A SPORTING EVENT, BEFORE, DURING OR AFTER.

Any parent/patron who violates this procedure will be subject to disciplinary action as follows:

1<sup>st</sup> offense: Parent/Patron will be banned from all WCS sporting events for a period of two weeks.

2<sup>nd</sup> offense: Parent/Patron will be banned from all WCS sporting events for a period of six months.

Any further offense will be subject to disciplinary action as determined by the WCS Board.

**School work:** On certain occasions an athletic event may require our students to leave school early and cause the student to miss an academic class. If this occurs the student is to go by that class prior to the absence and talk with the teacher to make arrangements for makeup work or to get assignments. If a student fails to do this they may receive a "0" or not be able to make up work.

**Costs:** There may be some costs involved in participating in various sports: food, clothes, etc. Some costs will be defrayed by fundraisers or paid by the school. We will keep the costs as low as possible for the student athlete. The coaches of the various sports will manage and determine each sport.

**Physicals:** Each student/athlete must have on file with the school a physical signed by a physician stating that they are physically fit to participate in athletics. These must be turned in prior to participation in practice or competition. If a

student is injured, they may be required by the coaching staff to have clearance to return to play.

### **Responsibilities of the Fan**

Spectators at an athletic contest have an important role in displaying good sportsmanship. As a group, fans' actions may have the biggest impact on how others see the reputation of Winona Christian. *Star* fans should complement student-athletes in their attempts to improve and learn. Fans should understand the rules of the game and cheer good performances by both teams.

Winona Christian School fans must respect players, coaches, and fans of opposing teams and never confront them at any time. Winona Christian fans should never interact with an official/umpire before, during, or after a contest; MAIS rules simply put game officials "off-limits." WCS fans should never cheer against nor degrade game officials, opposing players, teams, coaches, and fans. Fans attend games to support our teams—not belittle opponents and yell at officials.

Anyone that acts in an inappropriate manner at any school event, home or away, shall face the following consequences:

Any parent/patron who violates this procedure will be subject to disciplinary action as follows:

1<sup>st</sup> offense: Parent/Patron will be banned from all WCS sporting events for a period of two weeks.

2<sup>nd</sup> offense: Parent/Patron will be banned from all WCS sporting events for a period of six months.

Any further offense will be subject to disciplinary action as determined by the WCS Board.

### **Fan Ejection**

Any fan ejected from a contest shall be expected to be barred from all MAIS events until the individual has fulfilled sanctions and conditions imposed by the MAIS. A common sanction for an ejected fan is a fine generally ranging from \$300

to \$1,000. Additionally, Winona Christian will be fined within the same monetary range. In the event Winona Christian is fined due to a fan ejection, he/she will be responsible for paying the school's fine as well as his/her own. If the fine is not paid by the fan, the amount will be considered indebtedness to the school. If the fan has a child participating in the athletic program, the child will become ineligible to participate until the fine/indebtedness is paid.

**Insurance:** WCS will offer school day insurance that gives some coverage to the athlete. This will be done at the beginning of each school year and will cover all athletes except varsity football. A special policy for varsity football will also be available. Please read the policy carefully before taking it out.

You do not have to take any of this coverage if you have your own policy for your family. A copy of your policy number will be kept by the coaches in case medical attention needs to be given to the student/athlete.
